

\$5,500 Hylan Job Excites Tammany

"Tiger" Is Keen to Land Organization Man in Parole Commission.

WOULD DEMOTE CRUGER

No Reason Why He Should Continue to Hold \$7,500 Chairmanship.

Mayor Hylan will have a \$5,500 place on the Parole Commission at his disposal to-day when the term of Archibald McKimney of Brooklyn expires.

Tammany men who have been making an intensive study of the law creating the commission within the last few days declared yesterday that the Mayor also has the power to designate a new chairman of the board whenever he sees fit. The chairmanship pays \$7,500 and Tammany can see no reason why the Mayor should not demote Commissioner Bertram De N. Cruger from the chairmanship to the ranks at \$5,500 and give the added \$2,000 to the man the organization names.

Friends of Robert L. Moran, who leaves the office of President of the Board of Aldermen on January 1, are urging his appointment to succeed Commissioner McKimney. The latter wrote some time ago to the Mayor to learn what his intentions were in regard to the office, but, following his customary tactics, the Mayor made no reply. Commissioner McKimney had no official information last night as to what was going to happen to him, but he had no idea he would be reappointed.

The naming of Commissioner Cruger as chairman of the Parole Commission was one of the last acts of Mayor Mitchell. Frank A. Lord was appointed Commissioner to succeed Katharine B. Davis, who was chairman of the commission, and Mr. Cruger was elevated to head the board.

For a time it was believed that Gov. Smith would appoint Mr. Moran as County Clerk in The Bronx to succeed Joseph M. Callahan, who has been elected City Court Justice. The Bronx organization, however, declares it must have a superlative campaigner, as the man named must stand for reelection in 1920, a Presidential year. The organization does not intend to run any chances on losing the office.

According to present plans Ernest L. Hammer will be promoted from the office of Public Administrator to County Clerk. Stephen A. Nugent, one of the district leaders in The Bronx, is tired of his job as Deputy Charities Commissioner, it is said, and may be a candidate to succeed Mr. Hammer as Public Administrator.

This would leave a place as deputy in the Charities Department, which might be offered to Mr. Moran if he does not go on the Parole Commission.

MERCHANT MARINE TO HAVE 'BOOSTER' WEEK

April Meetings to Rouse Interest in Service.

To arouse the American people to the need for a merchant marine owned and operated by United States citizens, a series of demonstrations known as National Marine Week will be held from April 12 to 17, according to an announcement made yesterday by the National Marine League.

"The time has come for the nation to realize the pressing economic importance of national maritime independence," the announcement states. "American cargoes, mails and passengers must be carried largely in ships built, owned, operated and manned by Americans, in ships equipped and repaired by American industry and classified in American companies. It is a matter of the greatest importance to the island as well as to the seaboard States that our merchant marine be put upon a permanent basis of healthy development."

Among those on the committee for National Marine Week are Joshua W. Alexander, Secretary of Commerce; A. C. Bedford, August Belmont, George S. Cassin, Admiral Albert Gleaves, U. S. N.; W. Averell Harriman, Alexander J. Hemphill, Judge John Barton Payne, chairman United States Shipping Board; P. H. W. Ross, president of the league, and John N. Willys.

M'CORMACK SINGS TO-NIGHT.

Testimonial Concert in "Hip" for Catholic Big Brothers.

The testimonial concert arranged by John McCormack for the Catholic Big Brothers to-night promises to be the biggest affair of the season in Catholic circles. McCormack will give his usual "full size" programme. Edual Barrymore will recite. Cecil Killeigh, the young American violinist, will play several solos. Father Duffy, chaplain of the 155th Infantry, will deliver a short talk. Archbishop Hayes, under whose patronage the concert is given, will occupy a box. Henry MacDonald has "rounded up" fifty young girls to take charge of the programmes. They will have the active support of the two McCormack children, who are experts in this line of work.

3 HELD AS SILK THIEVES.

Men Caught in Hallway Carrying Bolls Valued at \$3,000.

Three men who were arrested on a charge of burglary early yesterday by Patrolmen Considine, Glennon and Doyle of the Mercer street station, who saw them emerge from a hallway at 363 West Broadway, each carrying so it is alleged, a bag containing balled silk, were held in \$5,000 bail each for examination December 30 when arraigned yesterday before Magistrate Corrigan in the Jefferson Market Court. The patrolmen testified they had discovered subsequently that the lot of Cohop & Blumenfeld, silk merchants at 201 Wooster street, had been entered and that eighteen bolls of silk, valued at \$3,000, had been stolen.

The prisoners described themselves as Andrew Salando, a laborer, of 212 East 196th street; Louis Forneri, a chauffeur, of 174 Sullivan street, and John Durcanga, a deliver, of 132 Bleeker street.
